CONSIDER NEW

The Adams County commissioners, meeting this morning at the courthouse, discussed with Ralph E. Barley and Lester O. Johnson, property owners along E. Broadway, a possible arrangement by which a new street could be opened north of Broadway from Carlisle St. to the Harrisburg Rd.

The discussion grew from a request by Barley to purchase some county home land adjoining his property in order to make the line of his property straight, rather than on an angle.

At this morning's meeting with the two men, the commissioners said they had asked County Engineer LeRoy H. Winebrenner to survey the areas involved so they might know where the property lines run exactly in relationship to the county home land and the owners of land along the north side of W. Broadway and the east side of Carlisle St. adjoining the county home property.

MR. PRESIDENT

by Patrick and Vinmont

HARRY S. TRUMAN

Born in Lamar, Missouri, May 8, 1884. Graduated from the local high school. From 1906, until his enlistment in the army, 1917, he worked on his mother's farm. He served overseas and advanced to the rank of captain. His first business venture, a haberdashery, failed. In debt \$20,000, he refused to file bankruptcy and over a period of ten years paid his creditors in full.

A political appointment made him overseer of county highways. Elected county judge, Jackson Co., Mo. in 1922; while serving, studied law at night. Elected presiding judge, 1926; U. S. Senator, 1934, and re-elected 1940. As Chairman of the "Truman Committee," which saved the government hundreds of millions of dollars, he gained a national reputation and nomination as Vice-President in 1944. At the death of President Roosevelt, he was sworn in as the thirty-third Presi-

dent of the United States, April 12, 1945. He was re-elected, 1948, in the nation's most startling political upset. During his tenure, the atomic bomb was dropped on Hiroshima, the world's greatest war was brought to a close, the "Truman Doctrine" was inaugurated and U. S.

troops were sent to fight in Korea under the United Nations. At the close of his term, he retired to Independence, Missouri.

ALBEN WILLIAM BARKLEY

Born in Graves County, near Lowes, Ky. He received his education in Kentucky schools and colleges and was admitted to the bar in 1901. He practiced law in Paducah, Ky. Served as prosecuting attorney and judge in McCracken Co., as a member of the House of Representatives 14 years, U. S. Senator, 1927-49, and Vice-President of the United States, 1948-52.

Age was his only handicap for serious consideration as a likely presidential candidate for the election of 1952. He was re-elected U. S. Senator, 1954. Died 1956.

MRS. HARRY S. TRUMAN

Bess Wallace, born in Independence, Mo., 1885. She married Mr. Truman in 1919. They had known each other since childhood.

A well-educated and capable woman, she served as her husband's secretary while he was a U. S. Senator. With efficiency and graciousness, she performed her duties as First Lady and gave her family a measure of the simple home life they all loved. Mr. and Mrs. Truman now live in their home town, Independence, Mo. They

frequently visit with their daughter and her family in New York.
